IOSH is the Chartered body for health and safety professionals. With over 47,000 members in more than 130 countries, we're the world's largest professional health and safety organisation.

We set standards, and support, develop and connect our members with resources, guidance, events and training. We're the voice of the profession, and campaign on issues that affect millions of working people.

IOSH was founded in 1945 and is a registered charity with international NGO status.

East Anglia Branch

On behalf of the East Anglia Branch committee, welcome to our programme of events for 2018–19.

Our meetings, workshops and other events are open to IOSH members and anyone interested in the topics we cover.

Meetings are free unless otherwise stated. Occasionally, workshops or other events may be arranged in addition to the published programme. For these, there may be a modest charge.

If you're new to our events, you're especially welcome and we hope that you'll enjoy our friendly and welcoming environment. Whether you're a visitor or regular participant, thank you for your support.

If you're unable to attend a particular event, you'll usually find presentations on our website, subject to permission from the relevant speaker.

We look forward to seeing you!
